

Collin County Community College

Driver/Operator Certification

Express Schedule Format !

This 80 hour course focuses on the skills necessary for effective fire apparatus operation. Course topics include pump theory, fire service hydraulics, apparatus inspections, driving practices, and pump operations. Upon successful completion of this course, students will take the state certification exam for Driver/Operator.

Courses will be held from 8:30am — 5:30pm on the scheduled dates at the Fire-Rescue Training Complex located on the CCCC campus in McKinney. Students must hold TCFP Basic Firefighter certification, valid driver's license, and provide complete bunker gear.

Cost: \$530.00

Schedule
