

Collin County Community College

Fire Officer I

FIRT 1342 Fire Officer I

This 64 hour course focuses on the skills necessary for effective supervision and leadership at the Company Officer level. Course topics include: human resource management, community and government relations, administration, inspection and investigation, emergency service delivery, health and safety. Upon completion of this course, students will take the state certification exam for Fire Officer I. Students will earn 3 semester credit hours applicable towards an AAS degree in Fire Science.

Courses will be held from 8:30am — 5:30pm on the scheduled dates at the Central Park Campus in McKinney, TX.

Tuesday and Thursday: Oct. 6-29, 2009

Full-time, full-paid firefighters employed by any political subdivision who are enrolled in fire science courses within Collin's Fire Science program are exempt from paying tuition and lab fees for credit courses.
